

CONNECTEDCOMPETENCE

Digital Badges

Quick Start Guide

Create an account to share your professional achievement
in a way that is credible and validated

Email notification

You will be notified by email that you've been awarded a digital badge. Even if you're awarded several at the same time, you may still only receive one email.

It is worth adding 'admin@youracclaim.com' to your safe senders list.

You can find out how to do this in the help section of your email platform. Open the email and select Accept your badge to go to the Credly platform.

PLEASE NOTE: Our digital badges are built as Open Badges

Open Badges is the world's leading format for digital badges. It is not a specific product or platform, but a type of digital badge that is verifiable, portable, and packed with information about skills and achievements.

The screenshot shows an email notification from Connected Competence. At the top is the Connected Competence logo. Below it, the text reads "You've earned a badge from Connected Competence". A circular badge icon is displayed, containing the text "TEM 03 Technical Test Testing Portable Equipment" and the Connected Competence logo. Below the icon, the text says "TEM03 Testing Portable Equipment" and "Issuer: Connected Competence". A green button labeled "Accept your badge" is present. Below the button, it says "or accept your badge by clicking:" followed by the URL "https://www.credly.com/go/bG11JtAa5SPtgCIUxIbIGQ". A section with social media icons (LinkedIn, Twitter, Facebook, Instagram) and a star icon contains the text: "You've worked hard to earn this achievement. Share the good news with your professional network, friends and family by accepting your badge." Below this is a link: "New to badging? Learn more now." The Credly logo is shown, followed by the text: "Credly is a badging platform that works with credible organizations to recognize, manage and share professional achievements. Credly is the world's leading digital credential service provider." At the bottom, it says: "If you prefer not to receive emails like this from Credly, you may unsubscribe. Manage your email notification preferences. © Copyright 2021. All rights reserved."

Your badges

You may have received more than one digital badge, so to see them all select Dashboard from the dropdown menu in the top right.

Click on the digital badge to view more details, including the issuer, issue date and the metadata.

You can also share your badge from here too.

The screenshot shows the Credly dashboard interface. At the top left is the Credly logo. To the right are a search icon and a user profile picture. Below this is a navigation bar with 'Dashboard' and 'Settings' options. The main content area displays '7 badges' and a 'Sort by: Date Earned' dropdown menu. The badges are arranged in a grid:

- Trade Award - Electrical Maintenance**: Issued by Connected Competence.
- TEM14 Periodic Inspection of a 3-phase**: Issued by Connected Competence.

Your profile

You may have noticed View Profile in this top menu bar.

This allows you to showcase all your badges at once.

To do that, first select Dashboard and choose which badges you wish to display - you can toggle these to be public or private in the from the top right of the badge page.

It's worth adding your photo and a bit about yourself too. To do this select Settings from the left-hand menu. Once you're ready, click 'View Profile' from the top menu and then copy the URL.
